EAA Chapter 124 Board Meeting Minutes January 5, 2022

Board Members In Attendance- Dan Steinhoff (President) John Whitehouse (Treasurer) David Franco (Secretary) Larry Rengstorf (Facilities) Dominic Cerneglio, John Fritsch, Kevin Quirk, Karl Grimm, Tim Petersen.

Meeting Convened- 5:30 pm

Zenith project- No actual progress to report. The president (Dan Steinhoff) will contact chapter members who have expressed interest in completing the project. The challenge of completing the plane holds more promise given that Kevin Quirk, the chapter's most prolific builder, has generously offered to lead the build.

Motorhome Removal- No progress.

Young Eagles- Dominic Cerneglio will coordinate with Josh Hochberg to establish a schedule for upcoming events.

Web Page/Social Media- No social media manager has yet volunteered.

Ray Scholarship- No update.

Treasurer's Report- The monthly coffers ran a slight surplus. Hangar and tiedown rents are largely paid up. A 2021 financial performance report was generated for the benefit of board members. Chapter reserves have increased modestly due to

increased membership dues, and Covid related rent relief granted by the Sonoma County Airport management.

Facilities Report- The common driveway has been graded and rocked courtesy of Propjet. Bob Nicolas (PropJet Business Owner) has joined the chapter and is paying for 3 airplane tiedowns spaces to accommodate his overflow needs.

Facilities Manager Term Renewal- A motion was proposed to renew Larry Rengstorf's term as facilities manager.

The motion was carried unanimously.

Meeting Adjourned- 6:15

EAA Chapter 124 General Meeting Minutes January 5, 2022

Meeting Convened 7:15 pm

Newly elected President Dan Steinhoff welcomed the attendees and expressed appreciation for all the work of outgoing President Marlon Young.

He also extended his welcome and appreciation to new members of the board.

Treasurer's Report- The treasurer announced that the year end 2021 Financial Report has been completed and the chapter posted a healthy improvement over 2020.

Appreciation Awards- Outgoing President Marlon Young handed out the 2021 EAA Chapter Service Awards. First and foremost he extended his thanks and gratitude to Sam Werback who was awarded the MVP award for her exemplary food service which never disappoints! Marlon went on to recognize: John Whitehouse, David Franco, Stuart Deal, John Palmerlee, Bob Gutteridge, Kevin Quirk, Josh Hochberg and J. C. Stephens for their collective good works and contributions to maintaining a thriving chapter.

Presentation- In collaboration with Ben Barker, Karl Grimm

hosted a presentation featuring the Piper Cub. His program was largely focused on the Lompoc California Cub Fly-In. This well loved plane has a devoted following and promotes gatherings such as the 2011 event captured in the stunning video presentation. The film log delved into the historic significance of the plane, but also presented much historical background about Lompoc itself. This central California coastal destination provided fabulous visuals tailor made for capturing the maneuverability and utility of the beloved Cub.

As testament to the active interest the plane still generates Karl included the following resources where one can get Piper J-3 Cub instruction.

Ridgeline Aviation Billings Logan International Airport.
